## WHY ARE WE CALLED

### THE BIRD DOG BAR?

The dog in our logo represents a black lab named Samantha. She had a great big heart, but in the beginning she was a bit cantankerous... ripping shirts, biting pant legs, and chewing ANYTHING she could fit in her mouth. At wits end, we sent Samantha to a trainer. Low and behold, a miracle happened and she returned from the trainer a new dog! Convinced that the only way to keep her on track and well-behaved was to maintain a routine, Samantha started to go to work with us every day. She was a loyal, consistent and trustworthy "worker" Samantha loved and nurtured many and never met a thrown object or a body of water she didn't enjoy. Most of all, Samantha was a friend. We knew that in a time of need, Samantha would be there for us. And she always was. When you come to the Bird Dog we want you to feel Samantha's great sense of spirit. We hope you find our staff is welcoming and nurturing. Return trips will become necessary as you discover your best friend is always here for you when you walk through our doors!
